

London has many places to treat you to a luxury relaxing and rejuvenating Spa Break, so how will you choose? With many offers available as well its can be daunting here at the London Gazette we have come up with three of our favourite.

London Spas

Logan, Kensington Hair and Spa

This lovely and inviting salon is just round the corner from Harvey Nichols and Harrods meaning you can indulge not only in body, mind and hair pampering but the central location makes it ideal for a spot of retail therapy as well. The staffs are very friendly and welcoming and there is a wealth of fantastic treatments for you to choose from. Waxing treatments, Hair removal and Massage are the Spas top treatments with excellent well trained therapists. This is part of the deals on wahanda.com so read reviews which say what a good deal the prices are and treats you to a great [spa deal](#) saving money and getting pampered what more can you want, oh well as we say Harvey Nicks is down the road.

ZEN Health and Beauty

Now offering better than half price on massages on Mon, Tue, Wed and Sun you can get super relaxed and for a very good price. ZEN Health and Beauty is based in Islington North London and aims to make you look and feel your best with fully trained and attentive staff on hand to make your visit enjoyable and professional. They have a fantastic range of beauty services, containing manicures and pedicures, waxing, holistic massages and many more treatments aimed at making you feel super healthy and ready to face the world. You will find that ZEN Health & Beauty will cater to all your pampering needs.

Beauty Essence

This salon is in the plush area of Mayfair, and also two more central London locations and is offering 2 for 1 deals on waxing and specialise in Hot Wax techniques.

They are a refuge of peace and calm in this hectic London lifestyle. They have a superb range of treatments and are the perfect place to unwind. With treatments such as Micro Dermabrasion and Oxygen Therapy and full lines from Clarins (City Salon), Dermalogica, Environ, Essie, Fake Bake, Guinot, Jessica, and many more. You will find the staff friendly and welcoming so drop by and let the stress fade and leave looking stunning.
